Dear Teachers,

Thank you for entering your students in the "Handwriting" section of the 2025 Mackay Show.

Please find below judging criteria:

1. Year One and Year Two entries must be written in the Queensland Beginners Alphabet, as indicated in the schedule.
2. Entries for Years Three to Seven are to be completed in Queensland Modern Cursive, following the schedule guidelines.
3. Judging criteria will focus on the size, shape, and slope of the letters, as well as the proper usage of entries, exits, and joins. It is important to note that smudges, erasures, and the use of dull pencils can impact the judge's evaluation. The specific lines to be used are outlined in the schedule. After inquiries from various schools, it has been agreed that Year Five entries may be written on faint blue lined paper without affecting the judging criteria. Generally, entries written on Year 3/4 lines tend to be more consistent in shape and size.
4. The title should be placed within the red and blue lines, ensuring it does not extend above the top red/blue line.
5. Please write the title in the correct script, utilizing both upper and lower case letters.
6. Remember, capital letters should never connect with lower case letters, and numerals should be positioned between the two blue lines.
7. Lower case letters should not begin on a line.
8. Year One letter 'e' starts on the dotted line.
9. From Year Two the letter 'e' does not start on a line.
10. n, m, r, and x have rounded entries.
11. i, j, p, u, v, w and y have pointed entries.
12. Letters with 'descenders' or 'tails' (y, j, g, z) should finish on the line and not be hooked.
13. Letters which finish on the left (g, j, y, z, b, s) do not join to the following letter.
14. Letters which finish at the top (o, w, v) and join to the top of the body of the following letter have horizontal joins.
15. Some letters that finish at the top (o, w) join to ascenders.
16. 'e' joins to and from most letters, but does not join after o, r, v or w.
17. a, c, d, g and q can be dropped on (the exit is extended and the next letter is dropped on without .a retracing or covering stroke).
18. At the beginning of a word, the letters 's' and 'f' are written like this: s, f, however when they occur in the middle or at the end of a word they may be modified.
